It is connected to the Metro system (Bonaventure Station) and Montréal's Underground City, with direct links to stores, restaurants and museums, as well as the [Bell Centre](#), VIA Rail and Amtrak.

Logistical information is provided below.

Ground Transportation in Montréal

Access to the hotel from the airport and train station is efficient. The hotel is connected to the Metro system with indoor access to **Bonaventure Station** (metro fares are \$3.00).

From Montréal–Pierre Elliott Trudeau International Airport: Hop on the 747 bus at street level in the terminal. Get off the bus at the René-Lévesque Boulevard and Peel Street stop (a 30-45 min. bus ride, depending on traffic). Walk one block south on Peel Street. The hotel is on the left. Bus requires exact cash fare of \$9.00 (or purchase tickets at machines or from an STM agent at arrivals in the airport).

From Montréal Central / Gare Centrale (train): In the train station, look for “Bureau en gros” (French name for “Staples”), take a left there and walk along the corridor. At the end of the corridor, you have the option to continue “underground” or go outdoors.

- **Outdoor option (2 min. walk):** Exit the station to De la Gauchetière Street and turn right. Walk two blocks southwest on De la Gauchetière Street. The hotel is on the left after the overpass.
- **Indoor option (4 min. walk):** Take the stairs going down on your right, and follow the signs for Bonaventure Metro Station. Once inside the station, turn right and walk all the way to the end of the station. Look for signs for the Marriott Château Champlain – access to the hotel is on the left at the end of the metro station. Follow the corridor and take the elevator (only 1 floor, there is no other choice). Exit the elevator directly into the hotel lobby.

Some meals will be provided as part of the event.
